LISA CHIBURIS BADER PRESENTS SCHOLARSHIP TO CHI HEALTH CUMC-BERGAN MERCY  
MEDICAL CENTER NICU

Roswell, GA, - August 31<sup>st</sup>, 2018 - Lisa Chiburis Bader in her first "official" role as a new board member presented a \$500 scholarship to attend the 2019 <https://neonataltherapists.com> conference to the CHI Health CUMC-Bergan Mercy Medical Center. Brenda Gamerl said, "I'm extremely excited to accept the award on behalf of Neonatal Intensive Care Unit (NICU)."

Michael D. Litten, Founder, commented "this fits perfectly with our mission to use the money donated to the FPI for education purposes for the stellar group of clinicians that work with these most vulnerable fragile little people on a daily basis."

"I'm delighted FPI has raised enough money through collaboration with organizations like Amazon Smile and others to be able to award the scholarship," said Michael D. Litten. The Foundation's core belief is, as Horton said so succinctly and eloquently: "a person's a person, no matter how small."
