To the Foundation for Premature Infants:

On behalf of Orlando Health – Arnold Palmer Hospital for Children, thank you to the Foundation for Premature Infants for the grant award of \$1,000 to support Neonatal Intensive Care Unit (NICU) clinical education at Winnie Palmer Hospital.

This grant will go towards much-needed clinical education resources and support for our NICU Department. Included you find a photo of a few of the members of our (very appreciative!) NICU team.

We greatly appreciate the support of the Foundation for Premature Infants and we look forward to our partnership in efforts to meet the needs of young patients in our community.

Should you have any questions regarding grant-related activities, please contact Lauren Vagelakos at the Office of Grants Administration (Lauren.Vagelakos@orlandohealth.com, 321-843-2452).

Thank you for your continued support of important programs that serve the pediatric community.

Sincerely,
